Bundles are priced as follows: \$10=1GB, \$15=2GB \$20=3GB, \$30=5GB, \$40=8GB, \$50=10GB and \$60=UNLIMITED. Bundles may be purchased by visiting a Cellular One store, calling customer care at 800-730-2351, or by using *105# from your handset. The system will ask for a confirmation before a bundle is purchased. No credit or refunds are available. Bundles are purchased for 30 calendar days unless otherwise specified. Any unused data does not "roll over" to the following month. Must be 18 years of age. Cellular One reserves the right to discontinue this promotion at any time without notice. All rates are specific to services only within the Domestic U.S. Data usage is charged at \$.00002 per kilobyte (kb). Data speed not guaranteed. No tethering allowed. Other restrictions apply; see terms and conditions of your specific service for details. FreedomFone and Free4Life are funded by the federal government LifeLine Program and only qualified participants may participate. To be eligible for this program you must reside on qualified Tribal lands in Arizona, New Mexico or Utah and meet certain income requirements or be receiving benefits from one or more common government programs. Applicants must present documentation of income or program participation. Free4Life service may not be transferred to any other individual, including another eligible low-income consumer. By law, the Lifeline program is only available for one phone line per household, whether landline or wireless. Consumers who willfully make false statements in order to obtain benefits can be punished by fine or imprisonment or can be barred from the program. See your See your Free4Life or FreedomFone Service Agreement for terms and conditions. All Cellular One plans are subject to Cellular One's Fair Use Policy at www.cellularoneonline.com/fair-use-policy. *Data does not include download fees for certain features, including but not limited to, ringtones, wallpapers, apps, or games. Data availability dependent upon location. Cellular One complies with the Federal Communications Commission's ("FCC") Open Internet Broadband Industry Rules as they pertain to Cellular One as a mobile broadband provider. Cellular One's Open Internet Disclosure is available at any retail store or online at www.cellularoneonline.com and is intended to allow customers to make informed choices about our mobile broadband services; and so that content, application, service and device providers have the information needed to develop, market, and maintain Internet offerings.
